1. Dial-A-Ride is for members of the general public.
2. VineLine passengers are ADA-Certified. These passengers are unable to use some or all of the fixed route bus services. Persons need to apply for eligibility.

In the event that a VineLine passenger needs to make a reservation for the next day when the office is closed for a service holiday, they may make a reservation by leaving a voice message. ADA Certified passengers have priority for requested times (within one hour before or after a requested time).

Reserving a Trip

To schedule a ride, you must call at least one day and up to 14 days in advance of your appointment, to ensure a reservation. Advanced scheduling allows Dial-A-Ride/VineLine to provide service to persons going to the same or nearby destinations.

Same Day Service

Ride requests for the same day of travel are provided when space is available for a doublefare.

When Can I Call for Reservations?

Monday- Friday 8:00 a.m. – 5:00 p.m.
Saturday 8:00 a.m. – 3:00 p.m.
Sunday 9:00 a.m. – 1:00 p.m.

When you call, be prepared to tell the dispatcher:

Your name, telephone number, day and date that you want to ride, the street address of the pickup and destination locations, the time you need to be there and when you want to return.

Please inform the dispatcher if you will be traveling with a service animal, using a wheelchair, or traveling with a Personal Care Attendant.

Trip demand is heaviest between the hours of 7:30 a.m. to 9:30 a.m. and 1:30 p.m. to 3:00 p.m. Please schedule your trips outside these times if possible to increase the likelihood that your trip can be accommodated.

Pick up Window

A Paratransit vehicle arriving any time within a 30-minute pickup window (10 minutes prior or 20 minute after a scheduled pick-up time) will wait up to 5 minutes for a passenger. It is important to remember that buses arriving within 10 minutes before or 20 minutes after the scheduled pick-up time are considered on time and within the time window. You will not be considered a no-show if you refuse a ride that arrives later than 20 minutes after scheduled pick up reservation time.

Our drivers are not allowed to enter a private residence and they must keep their vehicle in sight at all times. Please wait at the entrance of your pickup locations and be visible to the bus driver.

Please keep in mind that Dial-A-Ride/VineLine is a shared service and will not take you directly from your pickup to your destination. Passengers may travel up to **60** minutes on the bus.

DAR / VineLine

Subscription Service

If you travel to and from the same destination at the same time and day, you may request to use subscription service. This service allows riders to make reservations for regular trips. You can request to be picked up from your departure point at the same time everyday. You can also arrange for your return trip home. Your reservation service will continue automatically until you ask for it to be changed. Please keep in mind that if you are unable to come to your appointment, you will need to cancel otherwise you will be considered a no show.

No Show Policy

If you cannot make it to your appointment, you must call 209-333-6806, at least one hour prior to your departure time so other passengers can use the service, otherwise you will be considered a no show. You will also be considered a no-show if you reserve a ride but do not meet the vehicle within 5 minutes of its arrival or call to cancel a trip less than 1 hour before your scheduled pick up time. If you have 4 no shows in 6 months, you may be suspended from service.

Mobility Devices

Wheelchairs must be in good working order with functional brakes. We encourage wheelchair users to remain in their chair and wear a lap belt during loading and unloading, as well as while riding on the bus. All wheelchairs will be secured to the bus. Please back on to the lift.

All vehicles are equipped with passenger lifts that meet ADA specifications. Lifts will accommodate mobility devices such as wheelchairs and scooters up 800 pounds, including the passenger. Mobility devices that exceed this standard may not be transported.

Transporting life-support equipment

You may bring a respirator, portable oxygen, and/or other life support equipment as long as it does not violate laws or rules related to transportation of hazardous materials and will fit in the Paratransit vehicle. If you are riding in a wheelchair, these items need to be attached to your wheelchair, not wheeled separately.

Service Animals

You may travel with a service animal such as a guide dog. When you make your reservation, please inform the dispatcher that you will be traveling with a service animal. A service animal is one that is trained to perform specific tasks for a disabled passenger. Pets are not allowed.
